

D.A.R.E. VOLUNTEER

The Paulding County D.A.R.E. program is looking for youth and adults who would like to help out with the 2018 Paulding County D.A.R.E. camp. This event will take place on July 17th, 18th and 19th and it will be held at the Paulding Middle School. This is not an overnight camp, so each day you would arrive at the school at 8 a.m. and you leave the school at 3 p.m.

As a volunteer you will be assigned to a group and it will be your job to assist that group with activities. These group activities range from a craft project, to competing in group games. The most important job you will have as a volunteer is making sure your assigned group stays together. The reason for this is because the majority of the main activities will be taking place away from the school. The main activities are, day one we will going to sky zone, day two we will be going to a outdoor water park in Edgerton, OH and the third day there will be blow up games and a rock climb wall that will be brought to the school.

By volunteering for this event not only will you be able to enjoy these activities at no cost to you, but you will also be impacting a young kid's life. So, if you are a youth that is going to be going into the 9th – 12th grade or an adult who would be interested in volunteering please fill out the information below and turn them into your student council or honor society leader or you can turn them into to me. Your information is needed so I can be in contact with you as the event gets closer. If you still have questions please feel free to contact. My information can be found at the bottom of this page.

Sincerely,

Deputy Nick Mendez
